DEVELOP LONG LASTING PARTNER RELATIONSHIPS

SpamExperts has a wide network of partners in different fields such as technology and infrastructure, distribution, promotion, and support. Recognizing the importance of a well-developed partner network, SpamExperts is always receptive to new contacts and interested in exploring new partnerships. Underneath you find information on the SpamExperts Original Equipment Manufacturer (OEM) program. The OEM program is aimed at software developers, hardware producers, and distributors.

BUNDLE, CO-BRAND, REBRAND, OR SIMPLY LICENSE THE SPAMEXPERTS TECHNOLOGIES!

SpamExperts offers you the opportunity to benefit from their unique filtering systems and technologies through their OEM partner program. OEM partners have various possibilities in generating revenues using the SpamExperts products. Options include the bundling of SpamExperts products or technologies with related products and or technologies; co-branding or rebranding of the SpamExperts technologies; and simply licensing modules of or all in-house developed SpamExperts filtering technologies.

BENEFIT FROM YEARS OF PRODUCT DEVELOPMENT, BUGFIXING, AND SYSTEM EXPERIENCE

OEM partners have the opportunity to benefit from years of internal product development by gaining direct access to well-tested and mature antispam filtering technologies.
